ORDERING: Harvest is one of a range of pre-selected tableware collections. We have created a series of these mood inspired collections by matching glaze finishes with appropriate tableware items to aid your selection.

Alternatively, our design catalogue offers 145 different tableware items for you to choose from. Once you have selected the items you

want, select a finish from the separate glaze finish and colour card. You have complete freedom to mix and match shapes, styles and colours – allowing you to create the perfect tableware set.

Use the order sheet to compile your choices, or call our sales hotline for advice and to ask any questions about our product range.
